

Senior Dog Wellness Plan Ages 7 or Older

“Senior at Seven” Pets don’t age like people do, they age much faster, many are considered seniors by age 7. Keeping your pet healthy is very important. We offer a health package that includes : unlimited examinations, vaccines, and stool parasite testing. Senior dogs need to be vaccinated for: Distemper, Adenovirus, Parvovirus, Bordetella, Leptospirosis, Lyme, and Rabies.

Our professional dental cleaning includes

- A comprehensive physical and oral exam
- Preanesthetic health screen
- Closely Monitored Anesthesia
- Oral examination of each tooth while under anesthesia
- Full mouth x-rays
- Scaling above and below the gum line to remove plaque and tartar with an ultrasonic scaler and hand instruments
- Polishing with a fine grit polish to smooth any minor defects on the tooth surface
- Irrigation to rinse and dry the mouth with pressurized water and air, which removes diseased tissue and plaque from the mouth
- Discharge and Home-care instructions
